

AESTAS TOP

Aestas means summer in latin, and this top is just that – a perfect summer top. Crocheted in breathable worsted cotton with decorative openwork panels down the sides and enough coverage at the front to wear out and about, this piece may just become a staple of your summer wardrobe!

The Aestas top is crocheted seamlessly, top down, and includes photo tutorials to help even a relative beginner succeed. It is a quick make, you can make several to match your wardrobe! The pattern uses US crochet terminology and stitches used are ch, sc, hdc, slst, dc, tr, tr2tog, dc2tog.

MATERIALS

- Approx. 350 (375, 425, 475, 550) m, or 385 (410, 465, 520, 600) yards of worsted cotton yarn
- 5 mm crochet hook, or hook needed to meet gauge
- The usual suspects darning needle and scissors

14 dc x 8 rows = 10×10 cm / 4×4 inches

SIZES

XS (S, M, L, XL)

To fit bust:

78 (86, 95, 105, 115) cm, or
31 (34, 37, 41, 45) inches

GAUGE

ABBREVIATIONS

st	stitch	tr	treble crochet
slst	slip stitch	tr2tog	treble crochet 2 together
sc	single crochet	dc2tog	double crochet 2 together
ch	chain	sk	skip
ch-sp	chain-space	RSF	right side facing
dc	double crochet	WSF	wrong side facing
hdc	half double crochet		

LET'S GET HOOKIN'!

YOKE

The yoke is a circle of 5 rows openwork crochet. It is worked in closed rounds without turning.

ch 102 (108, 114, 120, 126), close with a slst to form a circle (be careful not to twist the chain)

Round 1: ch1 (does not count as a st), hdc in each ch around, working into the back bump of the ch's, close with slst in first hdc (**102 (108, 114, 120, 126) sts**)

Round 2: ch1 (does not count as a st), sc in first st, [ch5, sk 2 sts, sc in next st] repeat around, except for the last repeat: instead of ch5: ch2 and dc in first sc to close the round. (**34 (36, 38, 40, 42) ch-sp's**)

Round 3: ch1 (does not count as a st), sc in the ch-sp you just made (that actually consists of 2ch + dc), [ch 6, sc in next ch-sp] repeat around, except for the last repeat: instead of ch6: ch3 and tr in first sc to close the round. (**34 (36, 38, 40, 42) ch-sp's**)

Round 4: ch1 (does not count as a st), sc in the ch-sp you just made (that actually consists of 3ch + tr), [ch 3, sc in next ch-sp] repeat around, close with slst in first sc (**34 (36, 38, 40, 42) ch-sp's**)

Round 5: ch1 (does not count as a st), hdc in first sc, [3 hdc in next ch-sp, hdc in next sc] repeat around, close with a slst in first hdc (**136 (144, 152, 160, 168) hdc's**)

The yoke consists of 5 rounds of openwork.

BACK SHORT ROWS

First, we are going to crochet 8 (8, 10, 10, 10) rows back and forth at the back.

Back Short Row 1: (RSF) ch3 (counts as first dc), dc *in the back loop* of the next 36 (41, 44, 50, 54) sts, work one more dc into both loops of next st, turn. (**38 (43, 46, 52, 56) dc**)

Back Short Row 2: (WSF) ch3 (counts as first dc), dc in each dc across, turn. (**38 (43, 46, 52, 56) dc**)

Back Short Row 3-8: as row 2. (**38 (43, 46, 52, 56) dc**)

Sizes M, L, XL only: Back Short Row 9-10: as row 2. (x (x, 46, 52, 56) dc)

At the end of the last back short row, don't fasten off but just pull up the working loop so your work doesn't start to unravel and leave that skein to rest for a bit - we'll continue where we left off later.

Back short rows are worked top down from yoke, in rows back and forth. For size XS & S, work 8 short rows; for sizes M, L, XL, work 10 short rows.

FRONT SHORT ROWS

We are going to work a few short rows at the front of the top as well. Grab a new skein of yarn and lay the yoke flat, as a circle in front of you, right side up. Now, look for the last dc of the first back short row (circled in the photo below) and count 33 (32, 33, 31, 31) yoke hdc's from there. Skip these sts and join the yarn to the 34th (33rd, 34th, 32nd, 32nd) hdc of the yoke. (In other words, there should be 33 (32, 33, 31, 31) skipped hdc's between the end of the first back short row and the beginning of the first front short row.)

Begin crocheting the front short rows where my hook is inserted in this photo, 34 (33, 34, 32, 32) sts from the back short rows. (This is a size S, hence in this photo I have 32 yoke sts in-between the back and front short rows.)

Front Short Row 1: Ch3 (counts as 1st dc), dc in the same st (increase made), dc *in the back loop* of each of the next 30 (35, 38, 44, 48) hdc's, 2 dc in next st (increase made), turn. (34 (39, 42, 48, 52) dc's)

Front Short Row 2: Ch3 (counts as 1st dc), dc in same st, dc in each dc up to the last st: 2 dc in the last st (i.e. the beginning ch3 of last row), turn. (36 (41, 44, 50, 54) dc's)

Front Short Row 3: as previous row. (38 (43, 46, 52, 56) dc's)

Fasten off and put your hook back into the 'resting' loop where you left off after the back short rows. Now onto the bodice...

The yoke and both back and front short rows are finished. In this photo, I have started round 3 of the bodice.

BODICE

Now we'll be working in closed rounds again, without turning. Rounds 3 and 5 are a little more complex, so I have included photos to help, below.

Bodice Round 1: (creating armholes and joining with the front) RSF. Now you should be at the end of the last back short row. Turn (the last time you turn in this pattern!), ch3 (counts as first dc), dc in each of the dc's across the back, ch 13 (13, 16, 16, 19) for right underarm, dc in next 38 (43, 46, 52, 56) dc's across the front, ch 13 (13, 16, 16, 19) for left underarm, slst in first dc to close round. Do not turn. (102 (112, 124, 136, 150) sts)

Bodice Round 2: ch3 (counts as first dc), dc in each dc and sc in each ch around, slst in first dc to close round. Do not turn. (102 (112, 124, 136, 150) sts)

Bodice Round 3: ch3 (counts as first dc), dc in each dc across the back, until the first sc of the underarm section: [ch2, 2trtog into the 1st and 4th sc, ch2, 2trtog into the 4th and 7th sc and so on (7th and 10th, 10th and 13th etc.) until you have made 4 (4, 5, 5, 6) 2trtog's; the last 2trtog should have its second 'leg' in the final sc of the underarm section, ch 2], dc in each dc across the front, repeat from [to] at the left underarm section, slst in first dc to close round. (76 (86, 92, 104, 112) dc's + 8 (8, 10, 10, 12) 2trtog's)

Bodice Round 4: ch3 (counts as first dc), dc in each dc across the back, at underarm section: [2 sc in first ch-sp, 3 sc in each of the next 3 (3, 4, 4, 5) ch-sp's, 2 sc in the final ch-sp of underarm section (do not work into the 2trtog's)], dc in each dc across the front, repeat from [to] at the left underarm section, slst in first dc to close round. (76 (86, 92, 104, 112) dc's + 26 (26, 32, 32, 38) sc's)

Bodice Round 5: as round 3, except underarm sections: [skip 2 sc's, tr in the 3rd sc, ch 2, 2trtog into the 3rd and 6th sc, ch 2, 2 trtog into the 6th and 9th sc, ch 2, and so on until only 1 sc remains of the underarm section: tr into the 2nd to last sc, skip the last sc] (76 (86, 92, 104, 112) dc's + 6 (6, 8, 8, 10) 2trtog's + 4 (4, 4, 4, 4) tr)

Bodice Round 6: as round 4, except underarm sections: [3 sc in each ch-sp, 4 sc in the last ch-sp, skip the 2trtog's] (76 (86, 92, 104, 112) dc's + 26 (26, 32, 32, 38) sc's)

Repeat rounds 3-6 until the top measures approx. 28 (30, 30, 32, 35) cm or 11 (12, 12, 13, 14) inches from underarm, ending with a round 4 or 6. Or work to your desired length.

BODICE ROUND 3, UNDERARM SECTIONS:

1. Bodice round 3, underarm section: ch 2...

2. ...tr2tog into the 1st and 4th sc of the underarm section...

3. ...ch 2...

4. ...tr2tog into the 4th and 7th sc...

5. ...ch 2, etc. The final tr2tog should have its second leg in the last sc...

6. ...dc in each dc to next underarm.

Bodice round 4: 2 sc in the first and last ch-sp of the underarm section, 3 sc in the ch-sp's in-between the tr2tog's

BODICE ROUND 5, UNDERARM SECTIONS:

1. **Bodice round 5, underarm section:** sk 2 sc's, tr in the 3rd sc...

2. ...ch 2...

3. ...tr2tog into the 3rd and 6th sc...

4. ...ch 2, tr2tog into the 6th and 9th sc...

5. ...ch 2, tr2tog into the 9th and 12th sc, ch 2, and so on... finish with a tr into the second to last sc...

6. ...dc in each dc to next underarm.

OPTIONAL WAIST SHAPING

You may add waist shaping if you prefer the top slightly fitted at the waist. This is done by decreasing 2 sts per round, at approximately rounds 10-15 of the bodice – or just below the bust – (total 12 sts decreased) and then increasing 2 sts per round, at approximately rounds 22-25 – at the hips – (total 8 sts increased). Of course, everybody is different; this may not match your shape. My advice is to try on as you go to check where to begin and end the shaping rounds. Anyhow, this is how I placed the shaping rounds:

Bodice Rounds 10, 12, 14: work one decrease (dc2tog) at the *beginning* of both back and front dc panels

Bodice Rounds 11, 13, 15: work one decrease (dc2tog) at the *end* of both back and front dc panels

Bodice Rounds 22, 24: work one increase (i.e. one extra dc) into the *first* st of both back and front dc panels

Bodice Rounds 23, 25: work one increase (i.e. one extra dc) into the *last* st of both back and front dc panels

Fasten off, wash and block – blocking really makes a difference to cotton garments!

TAH-DAHH! FINISHED.

There's nothing quite like seeing a pattern come to life in the hands of other makers. So please share and tag @hooked_by_anna #AestasTop on Instagram or create a project page on Ravelry! Thank you.
