Execution: First of all, with crochet hook n. 12, make the squares according to the given pattern and colors. We will have 10 squares in total, and we individually finish them with a round of **Double Crochet** in col. dove-gray. Squares of every part have to be positioned according to the patterns of front, back, sleeves.

Back: Sew the back squares according to the pattern. With needles n. 8 and col. dove-gray, pick up 56 stitches and work in **Stockinette Stitch**. At a total height of 60 cm (23,62 in.), for the armhole, decrease at sides 2 stitches once and 1 stitch twice. At a total height of 80 cm (31,50 in.), bind off all stitches.

Knitting Left Front: Sew the left front squares according to the pattern. With needles n. 8 and col. dove-gray, pick up 30 stitches and work in **Stockinette Stitch**. At a total height of 60 cm (23,62 in.), for the armhole, decrease at sides 2 stitches once and 1 stitch twice. At a total height of 69 cm (27,16 in.), for the neckline, bind off 10 stitches and continue binding off 1 stitch every 2 rows 3 times. At a total height of 80 cm, bind off all the shoulder stitches.

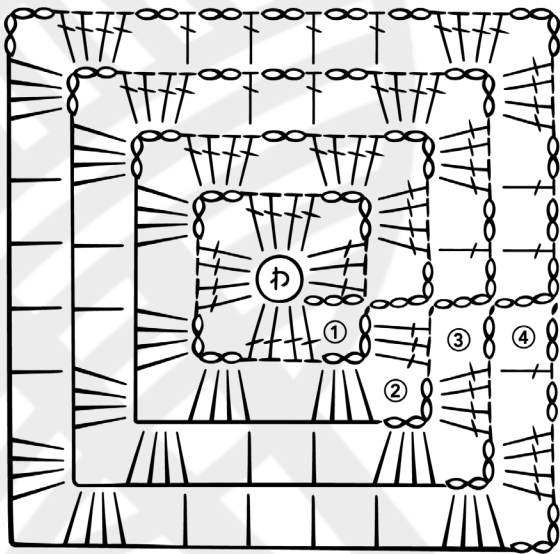

Knitting Right Front: Sew the right front squares according to the pattern. Work as for the left front but in inverse direction.

Sleeves: Sew the squares of the two sleeves (they are different from each other), according to the pattern. With needles n. 8 and col. dove-gray, pick up 29 stitches and work in **Stockinette Stitch**. After 3 rows, start increasing at sides 1 stitch every 3 rows 7 times. At a total height of 47 cm (18,50 in.), for the armhole, decrease at sides 2 stitches once, 1 stitch 3 times, 2 stitches 5 times. At a total height of 60 cm (23,62 in.), bind off the remaining stitches. Make other sleeve as first one, with the corresponding square.

Finishing: Sew the shoulders, hips, underarms and apply the sleeves. Finish the front and back neckline with a round of **Double Crochet**. Always with crochet n. 12, pick up the stitches of the right front, neckline back and left front, and make one round of **Double Crochet** and one round of **Reverse Single Crochet**. At the same time, on the right front, we will make buttonholes on the edge, skipping 2 stitches and instead working 2 chains. The first buttonhole is made at a total height of 24 cm (9,45 in.). Then the others every 16 cm (6,30 in.), we will have a total of 4 buttonholes. Fasten the buttons in correspondence of buttonholes.
